DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 275A to Leakey, Texas, as that community's first competing commercial FM service. Leakey is an incorporated community of over 400 people. Leakey has its own mayor, Jessie Penley, its own post office, its own volunteer fire department, its own school district and a number of local churches. The proposed channel 275A will provide additional diversity and an outlet for local self-expression to Leakey residents and therefore is in the public interest.
